Dry Heat

Steri-Dent Model 200

\$825.00

SS35 Steri-Dent Model 200

Dry heat sterilizer incorporates all the high quality, rugged features most prized in today's practice. Destroys bacteria with fast start up time. Great for tray setups which can be stored forever. Also has a 'hold heat' mode for those busy times Weight: 17 lbs.

- Low cost & low operating cost
- Chamber sealing door.
- Burn-out proof heating element(guaranteed for 5 years)
- Convenient and simple to operate
- No pressure, no moisture
- Trays can be sterilized with lids on
- Heat is even (no cold or scorching spots)
- Rapid heat up for fast operation
- Automatic timer with "hold" position
- Precision thermostat
- Will not dull sharp instruments
- All stainless steel--no rust!

IC6

IC5A

Glass Products (Dry Heat or Autoclave)

- GP2 Petri Dish, four partition **\$8.50**
- GP1B 60mm x 15mm mini Petri Dish **\$5.00**

Petri dishes are good for sterilizing probes using both autoclave and hot air. They can withstand repeated wet or dry sterilization. Plastic caps can be used in autoclaves only, they melt in oven heat. Corks can withstand both autoclave and oven sterilization.

GP2

GP1B

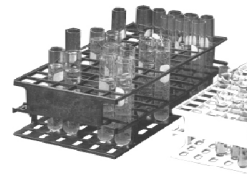

Plugs, Caps, Corks

- GP17 Plastic Caps **\$0.25**
- GP13 Rubber Plugs, autoclave only **\$0.25**
- GP15 Large Corks, test tubes DH, autoclave **\$0.30**
- GP15A 100 pack corks **\$7.50**
- GP16 Small corks, mini DH & autoclave **\$0.30**
- BC1 Blue corks, 1/2", 100pk **\$6.00**

Test Tubes & Stands

- GP11 Test Tube, 5", large for tweezers **\$0.50**
- GP11AAA Test Tube 6", large for tweezers **\$0.50**
Bulk price for 100 test tubes **\$45.00**
- GP12A Mini test tubes for probes **\$0.25**
- GP12 Mini Test Tubes for probes,
Bulk price for 100 test tubes **\$25.00**
- GP11A Rack with 40 large test tubes (blue) **\$31.00**
- GP11B Rack holds 36 tubes, made of plastic **\$15.00**

Needle Storage Containers

- CT7 Snap Top Needle Containers, use in autoclave only, 100 pack **\$10.00**
- CT2 Snap Top Needle Containers **\$0.15**
- CT6 Blue Rack with 81 Containers, for autoclave only **\$20.00**
- CT5 Mini Needle Bags, 2" x 2", 100/pack **\$6.50**
- GP12B Mini Rack w/ 80 snap top containers **\$25.75**
- GP12DDD Round White Container for needle storage 1 oz., 12 per pack **\$6.00**
- CT8A Stainless Steel, 5cc with lid **\$7.50**

GP12DDD

Needle snap-top containers are perfect for sterilizing probes.
